ARRIVALS AND DEPARTURES POLICY

This policy is part of the school's policy for safeguarding children.

Arrivals

The main gate to the school playground is opened at 8.45 am, when a member of staff is on duty to supervise children. KS2 children go straight to their classrooms to prepare for the day whereas KS1 remain in the playground until the bell is rung for them to line up prior to going into class for a prompt 9.00am start.

Any children arriving between 8.00 am and 8.30 am for early morning clubs need to buzz to be admitted into school and must close the gate behind them. The school caretaker is in the playground at this time to ensure the gate is always safely closed.

The gate is shut at 9.00 am. Parents/carers need to have left the playground prior to 9.00 am.

The car park gates are operated electronically by staff and remain closed after a car has passed through. Parents/carers are not allowed access to school through the car park gates.

Class teachers take the register as soon as they reach the classroom. Any child arriving late must go straight to the office so their attendance can be registered.

It is the responsibility of the parents/carers to ring the school before school starts to notify the office staff if a child is going to be absent. Registers are completed and submitted to the office by 9.10 am. Any child who is not in school by this time is recorded as late. Any child not in school by 9.40 is recorded as an unauthorised late. Office staff will contact parents/carers to find out why they are not in school.

Looked after children and vulnerable children who are absent must be reported to the Head Teacher as a matter of priority.

The headteacher will arrange to meet with the parents/carers of any child whose punctuality or attendance is a concern. Attendance and punctuality matters are reported regularly at Governing Body meetings.

Departures

The main gate to the playground is opened at 3.20 pm when Reception children are escorted to the playground for collection.

The other classes are brought down to the playground at 3.30pm and go with their teacher to their designated places in the playground ready for collection.

All children must tell their teacher that they are going to their responsible adult so that the teacher can see the adult and know that they are leaving the premises.

Parents must notify the school if they wish someone different to collect the child and give their permission for this. Staff must ensure this has been done and that the child obviously knows the adult.

Parents of children in year 5 or 6 who want their child to walk home by themselves must provide the school with written permission to this effect.

Children not collected are brought to the office by staff and their names noted in the Late Book.

ARRIVALS AND DEPARTURES POLICY

Office staff will then attempt to contact the parents/carers to collect their child. If a child remains uncollected the school will contact social services to inform them we have an uncollected child on the premises.

The school gate is shut after all children have left the playground.

The gate is opened at 4.45 pm for collection of children attending after school extra-curricular clubs. The member of staff leading the club should bring the children to the playground to dismiss them to their responsible adult or for children in Year 5 and 6 with permission they should dismiss them to walk home alone. Once all children have left the school playground they should make sure the gate is safely closed.

Children not collected should be brought back into the school and the staff member should take them to a member of SLT who will contact the child's parent/carer.

Parents of children attending the after- school care club need to ring the club mobile phone number to inform staff that they are there to collect their child. Staff will then escort the child through the car park gates to meet their parent/carer.

If a child is to be collected during the school day for any reason, the parent needs to come to the school office on entering the premises. Office staff will collect the child from the classroom and take them to the office to meet the parent. The parent must then sign the child out. If the child is returning to school, the parent must bring them straight to the office and sign them back in. Office staff will then take the child back to their classroom.
