

**Pupil Premium 2021-2 85,390**

Pupil premium funding is used to narrow the gap in attainment for disadvantaged pupils.

Barriers to achievement faced by eligible pupils:

- Poor language skills
  
- Low level literacy in the home environment
  
- Lack of conducive home learning environment
  
- Lack of wider learning opportunities

In 2021-2 the government announced a one-off recovery premium as part of its package of funding to support education recovery. This helps support schools to deliver evidence-based approaches for supporting disadvantaged pupils. The total for this year is £8,990. The funding has been used as part of covid catch up programmes in 2021 across the school to narrow the gaps. This will further be used to support with extra mentoring, yoga for well-being and HLTA support for groups of children to further narrow the gap.

<b>Area of focus</b>	<b>Provision</b>	<b>Focus Group</b>	<b>Cost</b>	<b>Impact/Outcomes</b>	<b>Evaluation</b>
