

Year One – Summer Term 2025

Dear Parents and Carers,

We hope you all had a lovely Easter break and are ready for the final term in Year One.

This handout will provide an overview of what your child will be covering this term, as well as expectations with regards to homework. We hope that you find it useful and informative.

There have been no changes in the routines but it is useful to be refreshed on them so please see below:

Routines

Behaviour

Good behaviour will be rewarded with going on the sunshine and star, receiving family points, being given certificates in assembly like 'Pick of the Bunch' as well as 'Proud as Punch'.

The cloud and black cloud will continue to be used to sanction poor behaviour choices.

Being ready for the school day

Children are expected to be independent in coming to the line in the morning, holding their book bags and water bottles.

Children should be eating breakfast each morning to ensure their focus throughout the morning and going to the toilet before the school day starts. Children should remember their water bottles and have them filled up ready for the day.

Children need to have a good night's sleep and a good bedtime routine established. The World Health Organisation recommends that children aged between 6-12 years should be getting between 9-12 hours sleep per night. Given that your child is at the lower end of this age range, we should be aiming for 12 hours!

Homework

In terms of the spelling homework, please assist your child with this valuable part of their learning by ensuring they complete all homework to the best of their ability and provide them with support when necessary. It is important that your child is having a go at sounding out independently- with the main focus being spelling the spelling word correctly. Please encourage your child to use finger spaces, a capital letter to begin their sentence and a full stop to end it.

There may be times that I will set additional homework if necessary to support or consolidate an area of class learning.

Spellings

Spellings (5 words) are uploaded onto Google classroom as part of homework on a Wednesday afternoon. These words should be learnt throughout the week for a spelling test the following Wednesday. You will receive your child's spelling result in their reading record each week (these need to be in school every day) If your child's reading record is not in school on a Wednesday, you will not receive their spelling result for the test.

Reading

Your child will be given a stage/phase book that will be taken home with them. There is no set day for changing books as children will be read to at different points in the week. To facilitate this; please ensure your child's reading folder with their book and reading record is in their book bag every day. It is very important to hear your child read out loud each day and ask them questions about what they have read to

check their understanding and develop their comprehension skills. (See questions inside their Reading Record)

Their school reading book can be read more than once to ensure they cannot only read the words but most importantly, understand what it is about. Please remember to record the date and page number along with your signature. This helps us monitor your child's progress.

In Key Stage One, we expect a minimum of 3 signatures a week, with one of these a written comment using the KS1 reading comprehension skills sheet that is in the front of your child's reading record. If you read other stories, please feel free to write them in your child's reading record too. I strongly encourage children to read other books from home or the library in addition to the stage book sent home from school.

As well as one-to-one reading, whole class reading will take place where children have opportunities to answer questions and discuss the texts with their peers. As well as this, children will complete reading comprehension tasks.

At Boutcher, we promote a reading for pleasure environment and ensure that children have opportunities to choose texts more freely. Your child will spend time in our class reading corner and also have a weekly visit to the school library. Our library visit will take place on **Wednesday** so please ensure that, when your child borrows a library book, they have it in school on this day to be returned so that another book can be chosen to take home and enjoy. It is important to return books because we have spent thousands of pounds on resources for our library and every book that is not returned needs money to be replaced. Funding is very tight and books not being returned will have an impact on how our library is used.

Uniform

Please ensure all items of your child's uniform are clearly labelled with their name to ensure they can be easily recovered if lost and minimise the cost of replacement.

A child's book bag with their reading folder (reading record and reading book inside) is considered to be school uniform and must be in school each day. Water bottles should be brought into class with your child's name on.

Please ensure your child is wearing correct school uniform and following the guidelines for hair bow/band colours etc.

Curriculum and Learning:

English

We will continue a book-based approach to the teaching of our English. We will be working on writing sentences to create short narratives. Children will build on their skills of checking their work for sense and making any necessary changes. We will be using the following in our writing:

- improving word choices and using adjectives to describe (size, colour or detail)
- adding suffixes -ing, -ed, -er and -est to root words
- joining words (conjunctions) 'and', 'but', 'so' and 'because' to link ideas
- capital letters for names, places, days of the week and the personal pronoun 'I'
- punctuating sentences with full stops and using question marks and exclamation marks more accurately
- using -s and -es to form regular plurals
- spelling words with the phonemes covered and spelling rules learnt
- spelling HFW in writing correctly

We will be working on ensuring our handwriting (lowercase and capital letters) are formed correctly as well as sizing and consistency. We will build on our phonological awareness and apply these into our writing whilst building up a bank of HFW in our writing and spelling them correctly.

Reading

As part of our whole class shared reading, we will build on our vocabulary, features, sequence, inference and prediction skills using a range of texts within the following themes:

Non-fiction: lifestyles

Poetry

Maths

Over the next term, we'll be looking at properties of shape as well as height and length. We will then move onto exploring calculations with multiplication and division before looking at time and money.

Number (counting and place value) expectations by the end of the year:

- Count to and across 100, forwards **and** backwards, in ones, beginning with 0 or 1 or from any given number
- Count forwards **and** backwards in twos, fives and tens from 0 (to the 10th multiple)
- Read and write numbers in **numerals** to 100
- Read and write numbers in **words** to 20 and match to the numerals
- Given a number between 1 and 100, identify one more and one less
- Identify and represent numbers within 100 using objects, structured apparatus and number lines
- Begin to recognise place value in two-digit numbers beyond 20 using practical apparatus
- Use the language of equal to, more than, less than (fewer), most, least when comparing numbers/ sets of objects to 100

Religious Education

Summer 1: How does belonging to a synagogue help a Jewish person in their Faith?

Summer 2: What teaches people to look after the world?

Science

This term, we will be learning about 'Animals including humans'

In this topic, we will be finding out how to:

- identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals
- identify and name a variety of common animals that are carnivores, herbivores and omnivores
- describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals including pets)
- identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense

PE

At Boutcher, we follow the 'Real PE' approach. Real PE is a unique, child-centred approach that engages and challenges children in their PE lessons. It focuses on the development of agility, balance and coordination, healthy competition and cooperative learning. Real PE focuses on six key cogs, these are: Creative, Cognitive, Health and Fitness, Personal, Physical and Social.

Throughout the summer term, we will be working through the 'physical' cog in our weekly PE lessons before moving onto 'Health and Fitness'.

Our PE day is: **Thursday**

On this day, children should come to school wearing PE kit and do not need school uniform.

PE kit is as follows:

- plain white t-shirt or polo top
- navy blue jogging bottoms, leggings or shorts (no logos)
- school navy blue jumper or cardigan
- suitable trainers for PE

PSHE

At Boutcher School, we teach Personal, Social, Health Education (PSHE) and relationships as a whole-school approach to underpin children's development as people and because we believe that this also supports their learning capacity.

We use the Jigsaw Programme which offers us a comprehensive, carefully thought-through Scheme of Work which brings consistency and progression to our children's learning in this vital curriculum area.

Summer 1: Relationships

Summer 2: Changing me

Theme

Our topic this term is history based and centred around 'Significant Explorers'. We will develop awareness of what an explorer is and look at what makes someone significant and how we learn about the past. We will learn about a range of significant explorers from different times and compare aspects of life.

Music

Children will take part in African drumming lessons each Wednesday afternoon, where they learn call and response, body percussion and develop their sense of rhythm.

Art & Design

We will complete an artist study about George Seurat.

Please check the newsletter each week (on the website) for important dates or events.

Please have a look at our class page on the school website.

As always, if you have any questions regarding any of the information in this letter, or any other matter of concern, please do not hesitate to contact me. I will be available at the end of the day to answer quick questions; however, appointments can be made via the school office to discuss any lengthier matters or concerns. You may also wish to send a private comment on Google Classroom homework.

Many thanks for your support.

Miss Dixon
